His Super Powers Don't Work in Water

Keep your little heroes safe this summer!

- Always supervise children when swimming, bathing or playing in water.
- Wear a Coast Guard approved life jacket if you can't swim.
- Teach kids to swim- it's the best way to stay safe in the water.

EMPLOYEE SPOTLIGHT

Jason Lee

What is your job title and how long have you been with the City of Bel Aire?

My official title is Code Enforcement Officer and I have been with the city since January 9th of this year.

What is your favorite part about working here?

I haven't been here long enough to pick a favorite part, but I will say the five minute commute to and from work is really nice.

What do you like to do for fun?

Anything that involves being outside or exercising. I'm a fitness enthusiast, but my wife would probably say a "nut". I love baseball. I was born in Illinois and have been a Cubs fan since I was old enough to know what baseball was. My wife is a Royals fan so it's fun in our house this time of year. I read a ton, I try to read at least two books a week, sometimes three in the summer. It doesn't matter what kind of book. I also like to listen to my teenage daughters talk. I generally don't understand the terminology, but it makes me laugh.

What is one thing you couldn't live without?

My eyes. It would be horrible to not see my kids grow up.

If you could go anywhere in the world, where would you find yourself?

I would love to go back to Korea. I spent a year there when I was in the Army and only scratched the surface of places to see and people to meet.
