

## Lawn Sprinkler Systems

According to City policy, homeowners are required to keep backflow prevention devices in good, working condition. Test reports must be filed every two years, on even numbered years. The device is also required to be rebuilt or replaced upon failure of the backflow testing.

**Test reports need to be completed and submitted by June 1st, 2024, by a certified technician, licensed with the City of Bel Aire.** You can find a list of companies who perform this work at [www.belaireks.gov/LicensedContractors](http://www.belaireks.gov/LicensedContractors) under the Plumbing/Sprinkler tab.

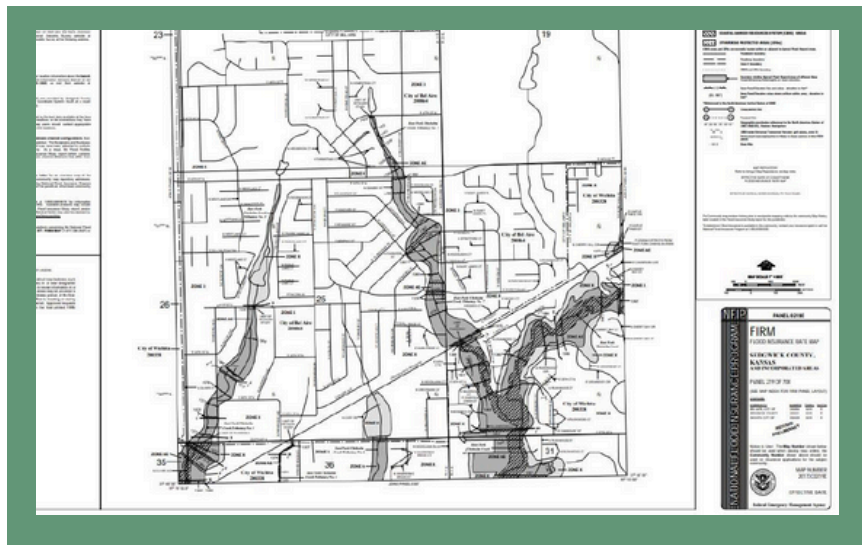

**Thank you for helping us protect the safety of the water.**

Please call (316) 744-2451 ext. 210 or e-mail [backflow@belaireks.gov](mailto:backflow@belaireks.gov) with any questions or concerns.

## Flood Plain Management

The city floodplain management program allows Bel Aire citizens to have access to flood map and information relating to FEMA and NFIP. If you have any questions or concerns call NFIP 1-800-427-4661.

- For property protection advice and/or to request a site visit, contact us at 316-744-2451 ext. 120 or email [bldginsp@belaireks.gov](mailto:bldginsp@belaireks.gov).
